Illumination

Let vision grow with faith and hope;

Let action flow to chart your scope.

Venture and win, learn as you start;

Keep focus keen with mind and heart.

Faith lights the way to form the fact;

Hope wins the day, love guides the act.

From thought to deed, the word you send;

Firm plot now seeds, your own best friend.

Let love's pure glow bless and forgive;

Let wisdom show you how to live.

Intent you greet, to forge great plans;

Success you meet as you sculpt trends.

Discern and sense just what you do;

In present tense: now act on cue.

A loving heart brings peace of mind;

Let love impart as wisdom signs.

You have a choice: to be made whole;

God speaks, heed voice – spirit and soul.

Go on your way each brand new day

Start, make love pay just as you say.
