## Verz Focus, Act Two

*Live well your song live well your dance;*

*Evolve and see, enjoy your voice.*

**One song sung strong, one simple chance;**

**Now let things be, now decide choice.**

*All thoughts you see, all things do pass;*

*Learn to discern, learn why you learn.*

**Look round and see, live well your trust;**

**Each moment earns, echoes that yearn.**

*New and lovely, new rhymes adjust.*

*Embrace and start, embrace your heart;*

*New thought you mind, new niche you trace.*

**Rich is your heart, richness now starts;**

**Insight you find, ideas you face.**

*Question your lines, question each rhyme;*

*Unseen your mind, unseen designs.*

**End as love signs, end with good times;**

**Zest feels and finds, zeal shows in kind.**
