Verz Focus, Act Three

*Aim to be you, ask for insight;
Always be true, approach the light.
**Notice pure joy, nearer than touch;
Note life deploys newness so much.**
*Niche your life plan, now is the time;
Niche all you can, now string the rhyme.**

*Truth shows the way, touch knows grand style;
Transform your day, turn tears to smiles.
**Aspire and glow, adjust to change;
Adapt and grow, appoint your range.**
*Notice your lot, nimble as wit;
Notions you plot, notes that you hit.**

*Make ideas flow, move with the times;
Mark what you know, more comes to rhyme.
**Urge shapes your psalms, urgent as breath;
Unique as charm, urge maps life's depth.**
*Ideas speak well, insight fuels me;
Inflame and tell: I am, I see.**

Live in the now, learn what works best;

Love does endow, life's but a fest.

Indulge your soul, impose your quest;

Intuit your whole, inspire warm zest.

Ascribe your tale, answer and see;

Attend your sale, align and be.

Now gather hits, note what feels right;

Now make things fit, niche love's wise light.
