Precious Moments

Paint the picture, prosper and see;

Plan the fixtures, proceed and be.

Reap what you sow, reach for the stars;

Realize and grow, rich man you are.

Expect the best, enter grand wealth;

Explore your quest, embrace good health.

Charm points the way, choice helps you start;

Charisma stays, cheer heals your heart.

Insight will come, ideas will sell;

Image and sum, inspire and tell.

Open your mind, offer your best;

Offer in kind, obey your zest.

Use vision bold, use what you got;

Unseen you hold, unseen great thoughts.

Success meets light, see love's increase;

Stillness feels right, sense beauty's ease.

*Mind starts the flow, moments of grace;
Mould, sculpt and grow, movements now trace.
**Open your heart, offer your soul;
Observe and start, one with the whole.**
*Mind yields substance, motions of thought;
Meet abundance, more fills your plot.
**End with belief, each thought conceive;
Etch well, achieve, ever receive.**
*Now you can think, now speak the word;
Names that you link, new sounds are heard.
**Think upon good, truth lights your way;
Tales fill each mood, trust shapes and pays.**
*Still and healthy, sight feels beauty;
Soul feels wealthy, signs of plenty.****
