Blessings Uplift

Teach me dear Lord: to listen, heed...

Teach me O God to know true need.

**Teach me Your ways: let me be kind
To watch my way, to heed Your signs.**

Teach me wisdom to know the truth –

Keys of the kingdom with grace as proof.

**Teach me insight to word my way,
To see the light each blessed day.**

Teach me Your peace, born of good grace

As joys increase in time and space.

**Teach me dear Lord to see plenty...
Teach me O God to live calmly.**

Teach me to seek peace in Your Light,

To be yet meek with just delight.

**Teach me to sense truth and beauty
In present tense, now – most clearly.**

Teach me to see Your Presence here...

All things lovely, all things made clear.

**Teach me Your Love beyond the norms,
Beyond weak nerves, beyond all forms.**

Teach me to speak words of blessings

Kind deeds that peak... sweet murmurings.

**Teach me to live with love for all,
Teach me to give, to heed Your Call.**

Teach me to see our transient days,

Fleeting beauty, as grace relays.

**Teach me, teach me to love, to live
With ecstasy, with thoughts lovely!**

Teach me, teach me to bless, to give,

With harmony, with zest truly.

**Teach me, teach me true peace of mind,
To simply "Be" – one with mankind!**

*Teach me, teach me, heal me my Lord;
Bless me, bear me, hold me dear God.*
**Teach me, touch me, inspire my lines,
To simply “Be” – one with Divine!**
