# Miracles

*On rainbow rays, light calls to me  
With grand, great ways... waves of beauty!  
Truth speaks of peace, purged of disease...  
Mind feels release; then comes true peace!*

**Truth speaks of grace when mind and heart  
Allow God's face to shape life's art.**

*Miracles start as grace now heals  
The wounded heart to just "Be still."*

**Miracles touch "the core of being"  
With grace as such, with awakening!**

*Miracles flow to ease our pain –  
"The Way" God shows is shown again.*

**Miracles pour, to bless, uplift,  
To help souls soar with God's own gift.**

*Miracles bless our blurring sight  
With more not less of love's pure light.*

**Miracles sign God's signature  
To help us find our true nature.**

*Miracles light our journey Home,  
With love's insight – "No more to roam."*
